This report shall not be reproduced except in full without the prior approval of Arcanna Analytics, LLC. Results relate only to the product tested. Sampling is performed at client facility in accordance with technical method TM-SC001 unless otherwise noted. Where applicable, Laboratory is not responsible for sampling performed by the client. Results apply to the sample as received. All other laboratory activities are performed at Arcanna Analytics, LLC at the address listed in this document. Sample was evaluated upon receipt and condition was acceptable and consistent with the description provided. Statements of compliance (i.e. Pass, FAIL) will be reported based on a simple acceptance decision rule which does not include measurement uncertainty. Measurement uncertainty data will be made available upon request. Unless otherwise stated in the body of the report, there were no additions to, deviations, or exclusions from the methods listed. All results will expire one year from the date the report was created due to sample degradation.
